

You will be asked a series of questions before you attend your appointment. Please be patient with us, these questions are essential for your safety as well as ours.

You will be provided with a face mask and asked to wear it throughout your visit. Please ensure that you inform the reception team if you are not able to wear a mask.

We are asking all visitors to use the hand sanitiser provided upon entering our facilities.

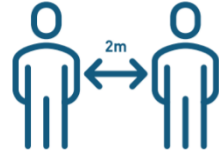

As always, we are following the strictest standards of infection control within all of our sites.

All staff are adhering to social distancing when in the workplace. Where this isn't possible, additional PPE is provided.

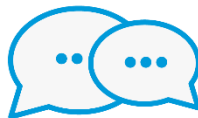

We have installed protective screens on our reception desks to help keep you and our staff safe.

Where possible, please attend your appointments alone to reduce the number of people in the building.

We are continually changing and adapting our processes in response to the guidance issued by our governing bodies.

We are checking the temperature of staff, students and patients upon entrance to the building.
